

COMMISSION ACTIONS

REAFFIRMATION

Reaffirmation is granted to institutions that are in *Substantive Compliance* with the TRACS Standards. *Substantive Compliance* indicates that the Accreditation Commission has determined that an institution's level of compliance is sufficient to warrant accreditation and that the institution can come into full compliance with all the Accreditation Standards within a maximum of two years. Reaffirmation is for a period of ten years with an Interim Fifth Year Review (IFYR). For the next Reaffirmation cycle, the institution must complete a successful self-study, host an on-site team evaluation, respond to the team recommendations, and appear before the Accreditation Commission by October 2027.

The following institution was granted Reaffirmation by the TRACS Accreditation Commission after completing a successful self-study and being evaluated by an on-site evaluation team:

Shorter College (604 Locust Street, North Little Rock, AR 72114)

At the meeting on October 24, 2017, the TRACS Accreditation Commission voted to grant Shorter College Reaffirmation I status as a Category I institution. All recommendations and suggestions of the visiting team have been brought into compliance. No further reports are required at this time.
