

Segment 6

Process Essentials:
**Dismanteling
the Power of
Paradigms**

Examine your
prevailing
paradigms.

(boundaries and
behavior)

1. Ministry Mentality (Theology)
2. Fear and Fatigue
3. Professional Practices
4. Organizational Silos
5. Organizational Inertia
6. Lack of Trust
7. A Culture of Crisis

Paradigm #1:

Ministry Mentality

Paradigm #2:
Fear and Fatigue

Paradigm #3:

Professional Practices

Paradigm #4:

Organizational Silos

Paradigm #5:
Organizational Inertia

Paradigm #6:
Lack of Trust

Paradigm #7:
Culture of Crisis

Are You Willing?

“Scared cows make the best hamburger, but the meat can be hard to swallow.”

So, what do we do?

- Identify and acknowledge your paradigms
- Ask
 - Is this truly biblical or is this really a personal preference?
 - Is this wise?
 - How did we come to embrace this paradigm?
 - Are we willing to appropriately challenge this paradigm?
 - Are we willing to go where our research leads us, or . . .
 - Are we willing to remain “mired in mediocrity?”
